5th INTERNATIONAL DONAU SOJA CONGRESS

From 19-20 June, the Donau Soja Association will host the 5th International Donau Soja Congress "The Protein Transition in Progress: Sustainable, Regional and Non-GMO Soya in Europe" in Schwäbisch Hall, Germany. The Congress is dedicated to the challenges and opportunities of an independent and sustainable European protein supply and business opportunities for farmers and processors...

INTERNATIONAL FIELD DAYS UKRAINE

The Donau Soja Association and the DLG-Deutsche Landwirtschafts-Gesellschaft (German Agricultural Society) Ukraine will cooperate in promoting soya bean production technologies within the framework of the 2nd International Field Days Ukraine from 20-22 June in Doslidnytske, Kiev region.

MEET OUR MEMBERS: OLEIFICIO SAN GIORGIO

Since our beginning in 2012, over 270 companies, research facilities and associations have become members of the Donau Soja Association. The Italian oil mill Oleificio San Giorgio joined us in 2017. Read about the company, their views on a sustainable European soya supply and future trends within the agricultural sector...

RECOMMENDATIONS FOR IMPROVING BIODIVERSITY PROTECTION

The conservation and sustainable use of biodiversity are key requirements for our nutrition and production processes as well as overall quality of life.
The recently published "Recommendations to improve biodiversity protection" are directed at standard organisations and companies within the food sector to improve biodiversity performance...
