

Invitation to the **public presentations** of the candidates
for the Professorship (§99 Abs. 4 UG) in the field of

“Molecular Glycobiology”

January 13th, 2022

By video conference

<https://bokuvienna.zoom.us/j/92105075828>

09:00 – 09:05	Univ.Prof. DI Dr. Reingard GRABHERR Address of welcome and introduction
	Ao.Univ.Prof. DI Dr. Christina SCHÄFFER (BOKU, Department of Nanobiotechnology, Institute of Biologically Inspired Materials)
09:05 – 09:35	<i>Scientific presentation:</i> „Microbial glycobiology - Sweeter than ever“
09:35 – 10:05	<i>Lecture:</i> „Die Glykobiologie von SARS-COV 2“
	Ao.Univ.Prof. Dr. Iain B.H. WILSON (BOKU, Department of Chemistry, Institute of Biochemistry)
10:15 – 10:45	<i>Scientific presentation:</i> „Is there a simple explanation for complex glycan diversity?“
10:45 – 11:15	<i>Lecture:</i> „Die Glykobiologie von SARS-COV 2“

Scientific presentation will be in English. Lecture will be on Bachelor level, held in German (each: 20 minutes presentation, 10 minutes discussion).

Chair of the selection committee:

Univ.Prof. DI Dr. Reingard GRABHERR

BOKU, Department of Biotechnology, Institute for Molecular Biotechnology
