Thematic focus of this seminar is only on [Cluster 5 \(Climate, Energy and Mobility\)](#) and [Cluster 6 \(Food, Bioeconomy, Natural Resources, Agriculture and Environment\)](#).

Target group: BOKU researchers & staff interested in European funding opportunities for "collaborative projects"

The lists of call topics for 2023-2024 are available (see [HERE](#)). Please let us know in advance if a topic is of particular interest to you. We will then prepare it in more detail to discuss in the thematic breakout sessions.
