

----- **!!! SAVE THE DATE !!!** -----

Dear colleagues!

I am happy to announce our **Mini Symposium on Bark Beetle Ecology** with talks by **Peter H.W. Biedermann (University of Freiburg)** and **Tobias Frühbrodt (Forstliche Versuchs- und Forschungsanstalt Baden-Württemberg)** with the titles:

**P.H.W. Biedermann: Bark beetle research in Freiburg**

**T. Frühbrodt: A new chapter in an old story: The role of verbenone in the European spruce bark beetle and its potential for population management**

**Time:** Monday, 20 March 2023, 3.00-5.00 pm

**Location:** Seminar Room of the Institute of Forest Entomology, Forest Pathology and Forest Protection, SCHW-01/112.

Feel free to distribute this information to everybody who might be interested!

Looking forward to two interesting talks and exciting discussions!

All the best,

Martin
