

Die Gewinner 2023 in der Kategorie “Oral Presentation” waren:

Platz 1: Elisabeth Billich (Wood K plus - Competence Centre for Wood Composites & Wood Chemistry) zum Thema “Suitability Evaluation of Biobased Resins for HPL Production Based on Wetting Behaviour”

Platz 2: Chiara Siracusa (Institute for Environmental Biotechnology) zum Thema “Enzymatic hydrolysis for specific recovery of monomers from poly(lactic acid)-poly(1,5-pentanediol 2,5-furanoate) novel blends”

Platz 3: Laid Dardabou (Institute of Animal Nutrition, Livestock Products, and Nutrition Physiology) zum Thema “n-Alkanes as Predictive Markers to Assess the Nutritional Contribution of Free-Range Systems for Laying Hens”

In der Kategorie “Poster Presentation”:

Platz 1: Anna Sieber (K1-MET GmbH) zum Thema “Selective recovery of metals from spent lithium-ion batteries using metal-binding peptides”

Platz 2: Johanna Kreuter (Institute of Chemical, Environmental and Bioscience Engineering) zum Thema “Hydrophilic ionic liquids for the rapid and simple release of nucleic acids from bacteria”

Platz 3: Lalropuia Lalropuia (Institute of Environmental Biotechnology) zum Thema
