

The Department of Biotechnology, group “Bioinformatics” is currently seeking a

Postdoctoral Research Associate (f/m) Bioinformatics / Computational Biology

(Reference code: 113)

Extent of employment: 40 Hours per Week
Duration of employment: 01st of January 2016 to 31st of December 2016

Gross monthly salary and pay grade in terms of collective agreement for university staff (payable 14 times per year): B1 lit.b, € 3.546,00

We are a multidisciplinary team and offer work in a lively and friendly atmosphere, and state-of-the-art computing infrastructure. We are looking forward to expanding our team by a dedicated and strongly motivated person with a distinct interest in challenges of bioinformatics in the context of modern sequencing technologies and genomics. The group has successfully performed several projects using NGS technology. We have recently published the reference genome sequence of sugar beet (Dohm et al., Nature, 2014).

Responsibilities

The successful candidate (f/m) will pursue projects related to the interpretation of genome and transcriptome sequencing data from 2nd and 3rd generation sequencing platforms

Required skills and qualifications

We are looking for a postdoctoral research associate (f/m) with

- a PhD in bioinformatics or related field, solid programming skills (e.g. developing sequence analysis tools),
- experience with the analysis of NGS data sets,
- understanding of lab methods and knowledge of genomics/transcriptomics.

Applications can be submitted until: 25th of December 2015

University of Natural Resources and Life Sciences Vienna seeks to increase the number of its female faculty and staff members. Therefore qualified women are strongly encouraged to apply. In case of equal qualification, female candidates will be given preference unless reasons specific to an individual male candidate tilt the balance in his favour.

Please send your job application (incl. letter of motivation, CV, complete publication list and contact details of three referees) to Personnel department, University of Natural Resources and Life Sciences, 1190 Vienna, Peter-Jordan-Straße 70; E-Mail: kerstin.buchmueller@boku.ac.at. (Reference code: 113)

We regret that we cannot reimburse applicants travel and lodging expenses incurred as part of the selection and hiring process.
