

The department of Landscape, Spatial and Infrastructure Sciences, institute of Landscape Architecture is currently seeking for a

Scientific Project Staff

(Reference code: 19)

Extent of employment: 30 Hours per Week
Duration of employment: 01.04.2011 – 31.03.2014

Classification under the collective agreement of the university: B1

Job Description

Three year position at 30 hours/week in FP 7 research project offered from April 1st on. The project is organised as co-operation between Austrian and German Universities and South East European Municipalities and Regions and focuses on the exploration of the potential of cultural heritage sites such as gardens, open spaces and cultural landscapes for sustainable tourism development. The project also addresses educational issues both on the University and the advanced training level in SEE countries

Desired Qualifikations

- ❖ Masters degree in landscape architecture
- ❖ Minimum one year working experience (practical and/or theoretical) in landscape architecture (before or after graduation)
- ❖ Experience in site analysis
- ❖ Knowledge of Garden and Site Heritage Issues
- ❖ Interest in South East Europe (Bulgaria, Romania, Greece, Italy)
- ❖ Experience in project administration and management
- ❖ Proficiency in spoken and written English
- ❖ At least basic knowledge/understanding of German
- ❖ Ability to communicate effectively (face to face and written communication) and in a collaborative manner with team members and municipalities
- ❖ Flexibility (job requires some travelling and month of intense activity)

Application must contain

- ❖ CV
- ❖ Letter of motivation
- ❖ Proof of practical work (portfolio on works)
- ❖ Examples of written work (publications in English preferred)

Date of publication: 11.02.2011
Closing date for applications: 04.03.2011

University of Natural Resources and Applied Life Sciences Vienna intends to increase the proportion of its female personnel. Qualified women are therefore explicitly invited to submit applications. In the case of equal qualifications, women will be given preferential consideration for employment unless reasons specific to an individual male candidate tilt the balance in his favour.

Please send your job application to the department of human resources at the University of Natural Resources and Life Sciences, 1190 Vienna, Peter-Jordan-Straße 70; E-Mail: kerstin.buchmueller@boku.ac.at. (reference code: 19)

We don't refund travel costs to the job candidates.
