

The Department of Material Sciences and Process Engineering, Institute for Molecular Modeling and Simulation is currently seeking a

Postdoctoral Research Associate

(Reference code: 44)

Extent of employment: 40 Hours per Week
Duration of employment: 01st of July 2015 to 30th of June 2020

Gross monthly salary and pay grade in terms of collective agreement for university staff (payable 14 times per year): B1 lit. b, € 3.546,00

Responsibilities

- The position involves simulation techniques for complex biomolecular systems. Research into the structure, dynamics and function of such systems will be performed. Support in teaching on these subjects will be expected
- Development of methods to efficiently compute free-energy differences
- Development of novel enhanced sampling techniques

Required skills and qualifications

- Completed doctorate

Desirable skills and qualifications

- Experience in method development for molecular dynamics simulations
- Knowledge of / experience with the GROMOS simulation package
- Programming / scripting skills

Applications can be submitted until: 17th of June 2015

University of Natural Resources and Life Sciences Vienna seeks to increase the number of its female faculty and staff members. Therefore qualified women are strongly encouraged to apply. In case of equal qualification, female candidates will be given preference unless reasons specific to an individual male candidate tilt the balance in his favour.

Please send your job application to Personnel department, University of Natural Resources and Life Sciences, 1190 Vienna, Peter-Jordan-Straße 70; E-Mail: kerstin.buchmueller@boku.ac.at. (Reference code: 44)

We regret that we cannot reimburse applicants travel and lodging expenses incurred as part of the selection and hiring process.
