

The Department of Nanobiotechnology, Institute for Biophysics is currently seeking a

Postdoctoral Research Associate

(Reference code: 112)

Extent of employment: 40 Hours per Week
Duration of employment: 01st of November 2016 to 31st of October 2019

Gross monthly salary and pay grade in terms of collective agreement for university staff (payable 14 times per year): B1 lit. b, € 3.590,70

Responsibilities

- Starting an own scientific topic after finishing a PhD
- The research topic to be developed will be related to the interaction of proteins with lipid monolayers and bilayers. The details will be discussed during the job interview
- Possibility to start a scientific career after finishing a PhD
- Writing publications and national (FWF & FFG) projects
- Presentation of scientific results in national and international conferences
- Student supervision at BSc, MSc and PhD level
- Teaching topics related to Biophysics (language teaching: English)

Required skills and qualifications

- PhD in Biotechnology, Molecular Genetics or equivalent
- Degree in Biotechnology or equivalent

Desirable skills and qualifications

- Experience with atomic force microscopy, optical (confocal) microscopy and QCM-D
- Postdoctoral experience is not necessary
- Knowledge in Cell Biology, Protein Engineering and in Cell Biology, Protein Engineering and Lipid systems will be an advantage
- Fluent in English (oral and written)
- We are looking for a dynamic, communicative, open, flexible and integrative person
- Team working skills

Applications can be submitted until: 19th of October 2016

University of Natural Resources and Life Sciences Vienna seeks to increase the number of its female faculty and staff members. Therefore qualified women are strongly encouraged to apply. In case of equal qualification, female candidates will be given preference unless reasons specific to an individual male candidate tilt the balance in his favour.

Please send your job application (incl. Cover letter and a full CV with a list of publications) to Personnel department, University of Natural Resources and Life Sciences, 1190 Vienna, Peter-Jordan-Straße 70; E-Mail: kerstin.buchmueller@boku.ac.at. (Reference code: 112)

For enquiries, please contact Prof. José L. Toca-Herrera (jose.toca-herrera@boku.ac.at).

We regret that we cannot reimburse applicants travel and lodging expenses incurred as part of the selection and hiring process.
