- Very good programming skills
- Strong publication record
- Strong potential for independent and collaborative research
- Excellent English, German language skills advantageous

Applications can be submitted until: 21st of November 2017

University of Natural Resources and Life Sciences Vienna seeks to increase the number of its female faculty and staff members. Therefore qualified women are strongly encouraged to apply. In case of equal qualification, female candidates will be given preference unless reasons specific to an individual male candidate tilt the balance in his favour.

Please send your job application to Personnel department, University of Natural Resources and Life Sciences, 1190 Vienna, Peter-Jordan-Straße 70; E-Mail: kerstin.buchmueller@boku.ac.at (Reference code: 134)

We regret that we cannot reimburse applicants travel and lodging expenses incurred as part of the selection and hiring process.
