Landscape Architecture with a focus on Landscape Design

Working time: 40 hours a week

Term of the employment relationship: 1st of October 2020, limited to a period of 6 years

Workplace: Vienna

Allocation in compliance with the Collective Agreement for University Staff to job group: B1 lit. b
Gross monthly salary (depending on previous eligible experience) at least: € 3,889.50 (14 x a year, in addition we also offer an attractive career development programme and an extensive range of social benefits)

Target group

§99 (5) positions offer academics with high potential and the relevant achievements the opportunity of an academic carrier ranging from a postdoc position to that of assistant professor and on to associated professor. The position of associated professor can be achieved at the latest six years after the appointment. §99 (5) positions are aimed at academics with a doctorate/PhD degree, with high potential, who are close to or have already successfully completed a habilitation. Experience at other universities or research institutes abroad is expressly welcome.

Tasks and focus areas

- Research in the field of Landscape Architecture with a focus on Landscape Design
- Research across scales in the urban realm and beyond
- Cover contemporary challenges in landscape architecture in research and teaching
- Contribution to enhance the interdisciplinary and transdisciplinary research portfolio of the institute (within the scope of BOKU and beyond)
- Contribution to the Institute's advancement in research, teaching and in its perception from outside
- Teaching and supervision or co-supervision of final papers within the scope of legal possibilities
- Transfer of knowledge and the promotion of junior researchers in line with the social responsibility of the University of Natural Resources and Life Sciences
- Assumption of administrative tasks within the framework of university self-administration
- Acquisition and management of competitively funded national and international research projects

Requirement profile

- Completed doctorate in a relevant field
- Sound professional experience in the scientific field as a postdoc
- Excellent publication achievements as well as international orientation and recognition
- Willingness and ability to lead your own research team incl. the necessary funding this requires (third-party funding)
- Enthusiasm for outstanding teaching
- Competence in design and research across scales in the urban, rural and urban realm

- Experience in research acquisition especially through competitive research applications
- International research network, experience in international teams
- High standard English both orally and in writing

Other desired qualifications

- Experience abroad as well as in teaching and leadership at universities and research institutions
- Awareness and knowledge of historical continuities in landscape architecture
- Openness to new contemporary challenges as research topics
- Knowledge in the field of urban development
- Knowledge in the field of planting and design
- Integration of different scales in design, teaching and research

Publication date: 3rd of April 2020

Closing date for applications: 8th of May 2020

University of Natural Resources and Life Sciences Vienna seeks to increase the number of its female faculty and staff members. Therefore qualified women are strongly encouraged to apply. In case of equal qualification, female candidates will be given preference unless reasons specific to an individual male candidate tilt the balance in his favour.

Please submit your application in English incl.

- Curriculum vitae with detailed presentation of professional, teaching and research activities
- List of all publications (refereed & non-refereed), lectures and projects
- Electronic transmission of the PDF files of five own publications which you consider to be particularly important
- Rough concept for future plans in research and teaching including your contribution to the scientific profile of the Department
- Teaching portfolio including evaluation results
- Brief explanation why you think you should be particularly suitable for this position (max. 1 page)

and indicating the reference code 71 to kerstin.buchmueller@boku.ac.at until 8th of May 2020.

Applicants are not entitled to reimbursement of travel and accommodation costs incurred as a result of the selection procedure.
