- Strong interest and curiosity in inter- and transdisciplinary research and the motivation to pursue an academic career
- Strong interest in academic publishing
- Project experience: either in academic or practise related context
- Publication experience in English is considered an asset
- Good German language skills (active/passive) are an asset; in case of minor German language skills, the willingness to attend language courses to swiftly reach level B2 is expected
- International experience

Applications can be submitted until: 10<sup>th</sup> of June 2021

University of Natural Resources and Life Sciences Vienna seeks to increase the number of its female faculty and staff members. Therefore qualified women are strongly encouraged to apply. In case of equal qualification, female candidates will be given preference unless reasons specific to an individual male candidate tilt the balance in his favour.

People with disabilities and appropriate qualifications are specifically encouraged to apply.

Please send your job application incl.

- motivation letter
- CV
- PhD proposal (2-3 pages in English)
- Contact details of two persons willing to serve as a reference (no recommendation letters are required)

to Personnel department, University of Natural Resources and Life Sciences, Peter-Jordan-Straße 70, 1190 Vienna; E-Mail: [kerstin.buchmueller@boku.ac.at](mailto:kerstin.buchmueller@boku.ac.at). (**Reference code: 108**)
