

The Department of Biotechnology, Institute of Cell and Tissue Culture Technologies is currently seeking a

Lab Technician (temporary replacement)

Reference code: 208

Extent of employment: 30 hours per week
Duration of employment: 1st of January 2024, limited to 31st of December 2024

Workplace: 1190 Vienna, Muthgasse 18

Gross monthly salary and pay grade in terms of collective agreement for university staff (payable 14 times per year): IIIa, € 1.785,20

The Institute of Cell and Tissue Culture Technologies of the Department of Biotechnology at the University of Natural Resources and Life Sciences is looking for a dynamic, self-organized and proactive personality who would like to support the institute with joy and verve in organizing the daily laboratory routine. In addition to the maintenance and servicing of laboratory equipment, your duties will include ordering, but also hands-on involvement in various scientific (externally funded) projects. Knowledge of English is absolutely necessary, as we are an international team and meetings in teams and at the institute are held in English.

Responsibilities

- ❖ Laboratory Organization (Lab Management)
- ❖ Ordering of laboratory materials, maintenance and servicing of equipment and instruments, regular activities/routine work
- ❖ Sterile cell culture work, creation and maintenance of cell culture banks, freezing/thawing of cells from cell culture banks
- ❖ Cell culture of primary stem cells and cell lines
- ❖ Performing common standard analyses and biological assays according to existing SOPs and optimization of these
- ❖ Optimization of workflows
- ❖ Integration into projects
- ❖ Support with student training
- ❖ Support with administrative tasks

Desirable skills and qualifications

- ❖ Experience with lab management/lab organization
- ❖ Independent and self-organized work desired
- ❖ Experience with adherent cell cultures is an advantage
- ❖ English language skills required as you will be working in an international team
- ❖ German language skills desirable/advantageous

Applications can be submitted until: 14th of November 2023

University of Natural Resources and Life Sciences Vienna seeks to increase the number of its female faculty and staff members. Therefore qualified women are strongly encouraged to apply. In case of equal qualification, female candidates will be given preference unless reasons specific to an individual male candidate tilt the balance in his favour.

People with disabilities and appropriate qualifications are specifically encouraged to apply.

Please send your job application incl.

- motivation letter
- CV
- certificates

to Personnel Management, University of Natural Resources and Life Sciences, Peter-Jordan-Straße 70, 1190 Vienna; E-Mail: kerstin.buchmueller@boku.ac.at. (**Reference code: 208**)
