LunchTime Series

Prof. Jørn Øyrehagen Sunde | University of Bergen

The Robot Judge: Law, Technology and Historical Patterns of Change

Freitag, 15. Juni 2018, 12:00 – 13:30

Simony Haus | Seminarraum 19/2, Dachgeschoß
Peter-Jordan-Straße 65, 1180 Wien

Die Teilnahme ist kostenlos. Um Anmeldung bis zum
12. Juni 2018 wird gebeten: law@boku.ac.at

When will we see the first robot judge in action? Technology is a fundamental structure shaping society and hence law. Throughout history technological change has brought radical legal changes several times. By examining these periods of change, we can identify patterns that are helpful to understand the changes in law that technology is bringing about in our own time. We will then see that the robot judge is a rather old idea that still faces some serious obstacles.

CURRENT POSITIONS

- 2007- Professor at the Faculty of Law, University of Bergen, Norway
- 2002- Head of Research at the Museum the Barony Rosendal, University of Oslo, Norway
