

The Department of Economics and Social Sciences, Institute of Law wishes to fill a **career position in compliance with § 99 (5) UG (tenure-track) in the field of**

Public Law with a focus on Public Commercial Law

Working time: 40 hours a week

Term of the employment relationship: 1st of October 2019, limited to a period of 6 years

Workplace: Vienna

Allocation in compliance with the Collective Agreement for University Staff to job group: B1 lit. b
Gross monthly salary (depending on previous eligible experience) at least: € 3,803.90 (14 x a year, in addition we also offer an attractive career development programme and an extensive range of social benefits)

Target group

§99 (5) positions offer academics with high potential and the relevant achievements the opportunity of an academic carrier ranging from a postdoc position to that of assistant professor and on to associated professor. The position of associated professor can be achieved at the latest six years after the appointment. §99 (5) positions are aimed at academics with a doctorate/PhD degree, with high potential, who are close to or have already successfully completed a habilitation. Experience at other universities or research institutes abroad is expressly welcome.

Tasks and focus areas

- Research in the field of Public Law with a focus on Public Commercial Law, particularly in the areas of environmental law, energy law, infrastructure law, industrial facilities law, product regulation law with a focus on food law, planning regulation law, subsidy law, state aid law, public procurement law as well as private sector administration law; these areas shall be researched with regard to their respective constitutional law and European law implication as well
- Teaching and supervision or co-supervision of final papers within the scope of legal possibilities
- Transfer of knowledge and the promotion of junior researchers in line with the social responsibility of the University of Natural Resources and Life Sciences
- Assumption of administrative tasks within the framework of university self-administration
- Acquisition, performance and administration of third-party funded, competitively raised, national and international research projects
- Representation of the research field at national and international scientific conferences

Requirement profile

- Completed doctorate in a relevant field
- Sound professional experience in the scientific field as a postdoc
- Excellent publication achievements as well as international orientation and recognition
- Willingness and ability to lead your own research team incl. the necessary funding this requires (third-party funding)
- Enthusiasm for outstanding teaching
- Teaching experience in the field of public law
- Willingness to independently teach in German and English in the field of Public Law with a focus on Public Commercial Law

Other desired qualifications

- ❖ Experience abroad as well as in teaching and leadership at universities and research institutions
- ❖ Experience in and willingness to undertake interdisciplinary co-operation beyond the frontiers of one's own field of expertise, given the nexus between national, technical, economic and social sciences, where the University of Natural Resources and Life Sciences, Vienna, operates
- ❖ Willingness to contribute to relevant focus- and co-operation-programs at the University of Natural Resources and Life Sciences, Vienna
- ❖ Management, communication, team work and networking skills as well as willingness to contribute to public relations work

Publication date: 4th of June 2019

Closing date for applications: 9th of July 2019

University of Natural Resources and Life Sciences Vienna seeks to increase the number of its female faculty and staff members. Therefore qualified women are strongly encouraged to apply. In case of equal qualification, female candidates will be given preference unless reasons specific to an individual male candidate tilt the balance in his favour.

Please submit your application in English incl.

- ❖ Justification of why you think that you are particularly suitable for the vacant position (max. 1 page A4)
- ❖ CV with a detailed presentation of your work, teaching and research activities including a presentation of your teaching portfolio
- ❖ List of publications, presentations and research projects
- ❖ Copies of five recent publications that you consider particularly important
- ❖ Results of teaching evaluations made by students
- ❖ Presentation of a research and teaching concept (max. 4 pages A4)

and indicating the reference code 106 to rektorat@boku.ac.at until 9th of July 2019.

Applicants are not entitled to reimbursement of travel and accommodation costs incurred as a result of the selection procedure.
