

# Workshop: Who makes the city?

## Working together towards transformation

Join us as representatives from Paris and Vienna share their experiences and engage in dialogue over who makes the city. Together, we will explore challenges and opportunities in fostering closer working relationships between the city and civil society, and debate the need for democratising pathways towards social and ecological transformation

---

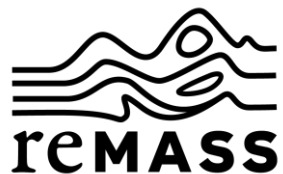

## Invited speakers

Noam Marseille – City of Paris  
Jean Laudouar – La 27e Région  
Rebecca Wangler – Virage Energie  
Mara Verlič - Arbeiterkammer
