

Having arrived with the train, leave the platform and follow the signs to Bahnhofstraße, Park&Ride.

At the end of the underpass turn left and leave the underground parking on the ramp.

Take the long, straight Jakob-Schefzik-Gasse and follow it to its very end. Go around the parking lot and enter the building (Konrad-Lorenz-Straße 24).

Go up one floor and cross the bridge. The first door on the left leads to Prof. Rosenau, Prof. Potthast and Dr. Liebner.
