Welcome to the CEEPUS III Member Area!

WELCOME!

It is our pleasure to make applying as comfortable as possible for you.

The CEEPUS member Area allows you to access all your CEEPUS II activities with only one user name and password ("Single Sign On").

**Mobility**

If you want to create a mobility application for yourself and you have never registered for mobility before, please click on "Register for Mobility".

You only have to do this **once** and never again. You can create as many mobility applications as you want. Please **do not register again** for a new mobility!

**Please do not register for a network instead! Such requests will be deleted as this is not the correct procedure.**

**Network**

You only should register here if you want to **manage a network as coordinator or partner**. In this case, please click on "Register for Network".

CEEPUS III member area allows you to create your network as soon as the coordinator or partner has been created.

The NCO has the final decision. Please contact the NCO for more information.

**Register for Network**

**International Relation Office (IRO)**

Please register here if you want to **view or manage all networks of our university**. In this case, please click on "Register for IRO".

Click here to register = to create your username and password.

We wish you a lot of success!

**CEEPUS Mobility Wizard - Step 1**

It is our pleasure to make applying as comfortable as possible for you. To this end, the CEEPUS Mobility Wizard will guide you through the process.

To get started, please choose one of the following answers and then click on the button "next step".

**YES,**  
I know that both my home institution and the host institution where I would like to study/teach belong to the same network and I also know the number of my CEEPUS Network Number, "CPNR").

**NO,**  
I don't know whether my home institution and the host institution where I would like to study/teach belong to the same network OR I think I should apply as a Freemover.

**How To**

Click the option "YES" if you know your CEEPUS Network and/or if you are searching for a "CEEPUS Network".

**Host Institution:** this is the institution abroad, where you would like to study or teach.

**Network:** a network is a CEEPUS project consisting of at least 3 universities (from at least 2 different CEEPUS countries) dedicated to certain objectives and exchange actions.

**Unit:** this can be a university department, faculty or center. We also call it "ppu" within a network which stands for "Participating Unit".
