Appointment Committee Geomatics

The chairperson of the appointment committee: Univ.-Prof. Dr. Arne Nothdurft

Invitation to the public appointment lectures

Mendel House, Gregor-Mendel-Straße 33, 1180 Vienna

Furthermore per video conference

<https://bokuviena.zoom.us/j/93820329648>

Tuesday, 24th June 2025

HS 11 (first floor)

08:30–09:30: Priv.-Doz. Dr. Francesco **Vuolo**: *„Combining multi-domain data to model the dynamics of grassland yield“*

09:40–10:40: Univ.-Prof. Dr. Zbyněk **Malenovský**: *„Remote sensing of plant functional traits: Spatial-spectral scaling combining physical radiative transfer modelling and machine learning“*

HS 31 (third floor)

10:50–11:50: Assoc. Prof. Dr. Enrico **Tomelleri**: *„Mountain Forests out of balance: a multi-scale perspective“*

12:00–13:00: DI Dr. Markus **Hollaus**: *„Large-area application of laserscanning data for forest parameter extraction and monitoring“*

Wednesday, 25th June 2025

HS 11 (first floor)

09:00–10:00: Univ.-Prof. Dr. Fabian **Fassnacht**: *„Rethinking vegetation remote sensing in times of artificial intelligence“*

10:10–11:10: Assoc. Prof. Dr. Roshanak **Darvishzadeh**: *„Trends in Remote Sensing of Vegetation Studies, Past and Future Directions“*
