

# Vortragsreihe

## Angewandte Geologie

Sommersemester 2026

---

**Ort** Peter Jordan-Str. 82, U1/36, 1190 Wien  
und via ZOOM (<https://boku.ac.at/lawi/ageo>)  
Mail: [iag@boku.ac.at](mailto:iag@boku.ac.at) Tel.: +43 1 47654 87200

**18.**

Mar. 2026

16:45 Uhr

**Martin Mergili**

Department of Geography and Regional  
Science, University of Graz

Geography is a game!

**28.**

Apr. 2026

17:15 Uhr

**Patrick Meister**

Department of Geology, University of Vienna

Nucleation and growth of sedimentary minerals:  
what we can learn from shallow evaporative lakes

**10.**

Jun. 2026

17:15 Uhr

**Christine Fey**

Institute of Applied Geology, BOKU University

Influence of permafrost degradation and glacier  
retreat on recent high mountain rockfall distribution  
in the Eastern European Alps
