Global Discourse

Soils don't cry

Soil degradation threatens food security and wellbeing in many parts of the world. Can the Sustainable Development Goals reverse this silent trend?

With **Mark Schauer** | GIZ, Coordinator: Economics of Land Degradation), **Waltraud Rabitsch** | Austrian Development Agency, and **Michael Hauser** | Centre for Development Research.

Opening remarks by **Franz Breitwieser** | Austrian Federal Ministry for Europe, Integration and Foreign Affairs.

Thursday, 19 November 2015, 6pm - 8pm

BOKU Wien, AQWU | Festsaal A1.4.10,
1st floor, Augasse 2-6, 1090 Vienna
