# Where Art Thou?

**Climate Change and Global Water Sharing Challenges**

**Prof. Ashok Swain | Uppsala University**

While states withdraw from the Paris Agreement, our climate continues to change. Rising temperatures and growing populations can lead to conflict around water.

Prof. Swain is a leading scholar in the field of natural resources and conflict - his work links environmental, social and political dynamics. He is a guest professor at BOKU.

Join the talk: Climate Change and Global Water Sharing Challenges

**Tuesday, 13th June 2017, 18:00 - 19:30**

Universität für Bodenkultur Wien

Oskar-Simony-Haus, ground floor, lecture hall "EG-03"

Peter-Jordan-Straße 65, 1190 Vienna

Free admission - please register: [rosana.kral@boku.ac.at](mailto:rosana.kral@boku.ac.at)
