

## THE LIBRARY OF THE DEPARTMENT OF CROP SCIENCES

The DNW library is an **on site-library**, borrowing books is not possible.  
Basically the [library regulations](#) (available only in German) of the main library of the University of Natural Resources and Applied Life Sciences Vienna are valid.

Please bring a **valid identity card or library card**.

For organisational reasons we kindly ask you to inform us **in advance by e-mail** of the books you are searching for.

A **copier/scanner/printer** on site can be used with a BOKUcard.
