

Our occupational health and safety policy

- We prevent damage to health through preventive measures.
- Accidents are avoidable: We eliminate sources of danger and minimize risks.
- We are committed to the best available and economically feasible as well as safe technology.
- We promote and maintain the long-term performance of our employees.
- We promote safety-conscious behavior on the part of employees, students, visitors and external persons.
- We are committed to prudence, order and cleanliness in the workplace.
- We are committed to complying with legal regulations and our internal requirements.
- We maintain an active dialogue with our stakeholders and are committed to sustainable action.
- We are committed to the continuous improvement of the above.

Our health and safety goals

- Accidents are avoidable: We eliminate sources of danger and minimize risks.
- We create safe and healthy working conditions.
- We maintain and promote the long-term performance of our employees.
- We conduct an active dialogue with our stakeholders and are committed to acting sustainably.
- We are committed to complying with legal requirements and our internal SGA requirements.
