

Having arrived with the train, leave the platform and follow the signs to „Egon-Schiele-Gasse“. At the end of the tunnel turn left.

At the end of the underpass turn left and leave the underground parking on the ramp.

Take the long, straight Jakob-Schefzik-Gasse and follow it to its very end. Turn left, go across the street and walk along the playground (on the street or on the small path). Move straight ahead facing the building. After entering the building use the wooden stairs – or use the elevator – and go up to the second floor, then across the bridge. Turn left to the „Institute of Plant Protection“.
