

Project ERA 91/01 “Preservation and establishment of true-to-type and virus free material of endangered grapevine cultivars in Croatia and Montenegro”

TIMETABLE for PROJECT MEETING & FINAL WORKSHOP

Zagreb, September 26-28 (Wednesday till Friday)

Date: September 26-28, 2012
 Venue: Zagreb, Faculty of Agriculture University of Zagreb,
 Zagreb, Svetosimnska 25 (pavilion 6)

| September (25) 26, 2012 – (Tuesday) Wednesday | | |
|---|---|---|
| Before noon | Arrival in Zagreb and check-in University apartments (Zagreb, Svetošimunska 25) | |
| September 26, 2012 – Wednesday | | Location |
| 14:00 – 14:30 | Welcome and Opening - Prof. Ivan Pejić, project co-ordinator, Faculty of Agriculture Uni Zagreb | Library of Dept. of Plant breeding, Genetics & Biometrics (pavilion 6, 3rd floor) |
| 14:30 – 16:00 | Session I – project tasks - Partners' reports - Discussion on project results and analysis of data - Plan of publication (in post-project period) | |
| 16:00 – 16:30 | Coffee break | |
| 17:00 – 18:30 | Session II – project tasks - Workshop program - preparations | |
| 19:30 | - Dinner & experimental wines' evaluation and tasting | Experiment station Jazbina |

| September 27, 2012 – Thursday | | Location |
|-------------------------------|--|---|
| 09:00 – 9:30 | Workshop: „Advanced management with autochthonous grapevine varieties“ (results dissemination for nurserymen, vine growers, ministry officials, vocational school teachers, NGOs and students etc.)* - Registration | Hall 6.B (pavilion 6) |
| 09:30 – 10:00 | - Introduction in topics (I. Pejić) | |
| 10:00 – 10:45 | - Field identification, collection and evaluation of grapevine autochthonous cultivars (D. Periner & M. Mugoša) | |
| 10:45 – 11:15 | Coffee break | |
| 11:15 – 12:00 | - Genetic identification of cultivars by SSR markers and its practical applications (M. Žulj Mihaljević) | Klub PHS |
| 12:00 – 12:45 | - Clonal variation – consequences and methods of detection (U. Anhalt) | |
| 12:45 – 14:15 | - Lunch | |
| 14:15 – 15:00 | - Cultivars' propagation (virus testing, grafting & certification scheme) (E. Rühl) | |
| 15:00 – 15:45 | - Autochthonous cultivars' quality assessment (E. Maletić and V. Maraš) | Hall 6.B (pavilion 6) |
| 15:45 – 16:15 | Coffee break | |
| 16:15 – 17:00 | - Discussion on strategy of autochthonous cultivars' revitalization including administrative steps (moderators: I. Pejić and E. Rühl) | |
| 17:00 | - Workshop closing | |
| 19:00 | Common dinner in the city (optional) | |
| September 28, 2012 – Friday | | Location |
| 09:00 – 10:30 | Session III – project tasks - Analysis of workshop feedbacks and its reflections to final results dissemination - Detailed plan for project results' dissemination - Financial issues - Reporting details and obligations | Library of Dept. of Plant breeding, Genetics & Biometrics (pavilion 6, 3rd floor) |
| 10:30 – 11:00 | Coffee break | |
| 11:00 – 13:00 | Session IV – project tasks - Discussion on possibilities for project extension and future cooperation, as well as possible commercialization | Klub PHS |
| 13:00 – 14:00 | - Lunch and departure | |

* The workshop is foreseen to provide external (target) users with both project results and "ready-to-use" procedures for practical conservation, evaluation and revitalization steps. We want to present advanced "know-how" in management with grapevine germplasm that has certain market value. This approach should combine theoretical knowledge, project results and experience in handling with grapevine cultivars (from research to certification). All participants should receive printed materials covering all workshop topics.
