MYCOTOXIN SUMMER TALKS

2014

University of Natural Resources and
Life Sciences, Vienna - Austria
Department for Agrobiotechnology (IFA-Tulln)

Mycotoxin Summer Talks 2014

The conference aims to address hot topics in the mycotoxin area and to facilitate new interactions among members of the great multi-disciplinary mycotoxin community with a special focus on Austria. The Summer Talks will be held in conjunction with the **Mycotoxin Summer Academy** which offers two subsequent one-week training courses on mycotoxins and their determination especially by liquid chromatography coupled to mass spectrometry (LC-MS).

Venue & Accommodation

The talks will be held at the Universitäts- und Forschungszentrum Tulln of the University of Natural Resources and Life Sciences, Vienna (BOKU), in Tulln, Austria. The Campus Tulln is a world class facility in the area of mycotoxin research with more than 150 highly qualified staff working on this topic.

Friday 04.07.2014: 08:30 - 16:30

Internationally renowned experts will provide **keynote presentations** followed by **contributed papers** and a interdisciplinary concluding **discussion**:

- Welcome and introduction:
  R. Krska, BOKU/IFA-Tulln
  F. Berthiller, BOKU/IFA-Tulln
- Key note speakers:
  J. Gilbert, FoodLife International Ltd
  M. Rychlik, Technische Universität München
  N. Magan, Cranfield University
  A. Moretti, ISPA CNR Bari
- Contributed oral presentations
- Poster presentations
- Round table discussion
- Conference Dinner already on July 3th together with the Academy Dinner sponsored by Erber AG
