

If your thesis is written in English, use this cover page and ensure all information is written in English (except the academic title **Diplom-Ingenieur / Diplom-Ingenieurin** and the name of the university in the affiliation of the supervisor(s)). The layout and design of the cover page should not be modified in any way (do not change the font, capitalize, or change font size, do not add information, do not add a logo, etc.).

Master Thesis

This is a sample for the overall layout of the cover page. The title should be concise, to fit on max. 3 lines

Water Management and Environmental Engineering

Name of master programme:
Aptos regular 16 pt

Note: if you completed a German Master programme, use the German name.

ONLY if your Master is an English or an international programme, use the English name.

in partial fulfilment of the requirements for the academic degree

Diplom-Ingenieur

Check the degree you will be awarded in your curriculum (DI or MSc?)

The 'Diplom-Ingenieur' is not translated, so keep the German wording.

If you identify as a woman, we recommend that you gender it (i.e. Diplom-Ingenieurin).
