Application form for free elective courses

Notes regarding the application process:

- Please send the completed form for applications regarding the winter term by the end of August or the end of January for the summer term to lehrorganisation@boku.ac.at.
- Approval is granted or denied by the Vice Rectorate for Teaching; the division of Administration of Teaching and Learning processes the application but is not in charge of the decision making.
- In your application, please provide a brief reasoning for the planned course.
- Free elective courses are assigned without monetary compensation. A separate explanation must be given justifying the request for monetary compensation.
- If the course is offered in English, the description has to be in English only; in case of team teaching please agree on ONE description.

Reason for introducing the course:

Reason for monetary compensation: *Only to be filled in if required!*
