

Dear parents!

This year the KinderBOKU is organizing **autumn holidays** for **school children of BOKU members** (born in 2014 or later) for the five days of school holidays in Vienna, from **October 27th to October 31st, 2025**.

The autumn holidays take place from **monday to friday from 8am to 4:30pm** at **Türkenschanze in Gregor-Mendelhaus**.

The **costs** amount to **27€ per child and day** (including lunch) and will be invoiced afterwards.

The children will be supervised by the **"Flying Nannies"** of the Children's Office of the University of Vienna (supervision ratio 5:1), who will provide a varied program of fun and games, and will respond to the interests of the children.

The **binding registration** takes place **exclusively online until September 24th, 2025** and is reserved for **BOKU employees and BOKU students**.

Please complete **a separate online form for each child** and **confirm** the required "Information on the processing of personal data" and the "Cancellation policy" at the end of the form.

The **registration is binding** as soon as you have sent the form.

After checking the data you have put in and submitting the form, you will receive a **confirmation by e-mail**. This will contain a summary of your details as well as information on the autumn holidays and the cancellation policy. You can no longer change the data you have entered.

**The following applies:**

- **binding registration** (cancellations see below) by **September 24th, 2025**
- single day registration is possible
- **school children born in 2014 or later** can be registered

Please note our **cancellation policy**, to which you must give your consent at the end of the form.

**Cancellation policy:**

Less than 14 days before the start of the autumn holidays (October 27th, 2025): 100% of the costs

**Cancellation of a booking is only possible and valid in writing by e-mail to [kinderboku\\_herbstferien@boku.ac.at](mailto:kinderboku_herbstferien@boku.ac.at) .**

We strive to make **registration** for the autumn holidays **fair**. **If the demand exceeds the available places**, we will try to **enable as many children as possible to take part** in the autumn holidays and, if necessary, reduce the number of days per child.

We ask for your understanding and are available to answer any questions at **[kinderboku\\_herbstferien@boku.ac.at](mailto:kinderboku_herbstferien@boku.ac.at) .**

Kind regards,

Gloria Rainer, Martina Fröhlich and Daniela Fuchs
