Arrival in Osijek

By plane

Osijek Airport is located 16 km south-east of the city Centre. Osijek Airport is small (international) airport and it's not likely that you will be coming to Osijek by plane. There is regular traffic between Zagreb and Osijek and some other European destinations, but that's about it. If you chose airplane, you should contact us to pick you up from there or order a taxi since shuttle buses aren't operating on a regular daily basis.

Osijek Airport URL: <http://www.osijek-airport.hr>

* Taking a taxi from the Airport to Faculty of Agriculture is going to cost you **around 10 EUR!**

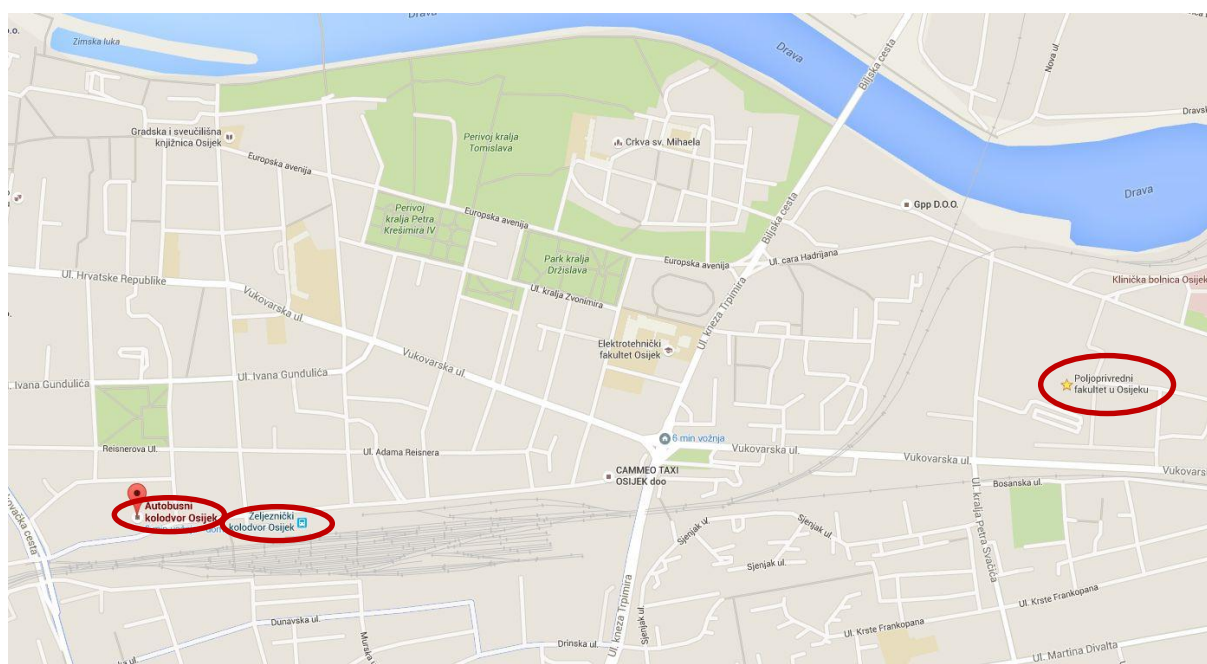

Planned accommodation for incoming students is within University Campus – New students' dormitory (Novi studentski dom). Dormitory is located next to the Faculty of Agriculture and its 2 minute walk from there.

By bus

From Central Bus Station (Autobusni kolodvor) you can take a taxi to the Faculty of Agriculture or Dormitory. Also you can walk from there, it will take you around 30 minutes.

By train

From Central Railway Station (Željeznički kolodvor) you can take a taxi to the Faculty of Agriculture or Dormitory. Also you can walk from there, it will take you around 25 minutes.

By car

Osijek is on the crossroad of Central and South-Eastern Europe and is on a halfway between the capital cities of Croatia, Serbia, Hungary and Bosnia and Herzegovina.

So if you arrive by car from Zagreb, Belgrade and Budapest to Osijek, your trip will take around 2-2.5 hours, and from Sarajevo around 4 hour drive. Distance from the border with Hungary is around 50 km, 35 km from Serbia and from Bosnia and Herzegovina is around 100 km.

Depending on direction you are coming from please see the Osijek city map and get directions.

Public Transportation

There are two ways of public transportation – trams and buses. They operate all day (every few minutes) and night (every hour). Tickets can be bought on board (11 kn). Make sure that you stamp your ticket once you board - an unstamped ticket is as good as no ticket at all. Daily tickets are available at a price of 35 kn.
