

UNIVERSITY OF AGRICULTURE IN KRAKOW

Faculty of Environmental Engineering and Land Surveying
Department of Land Reclamation and Environmental Development

invites to

23rd INTERNATIONAL SCIENTIFIC CONFERENCE

PROBLEMS OF ENVIRONMENTAL PROTECTION AND DEVELOPMENT

It is the 23rd of the ENVIRO series conferences, organized alternately by the Universities of Agriculture in Nitra, Slovakia and Krakow, Poland. It aims to provide a forum for presentation of the latest works and scientific achievements of both domestic and foreign partners addressing current issues of environmental protection and development.

ORGANIZERS

- Department of Land Reclamation and Environmental Development, University of Agriculture in Krakow
- Department of Landscape Planning and Ground Design, Slovak University of Agriculture in Nitra
- The Committee on Agronomic Sciences (Division II: Biological and Agricultural Sciences), Polish Academy of Sciences
- Association of Hydraulic and Land Reclamation Engineers, Krakow Branch
- Wielka Wieś Commune Office

SCIENTIFIC COMMITTEE

prof. dr hab. Krzysztof Ostrowski – *University of Agriculture in Krakow* – Chairman
 prof. Ing. dr h.c. Dušan Húska PhD. – *Slovak University of Agriculture in Nitra*
 doc. Ing. Klaudia Halászová, PhD. – *Slovak University of Agriculture in Nitra*
 doc. Ing. Luboš Jurík, PhD. – *Slovak University of Agriculture in Nitra*
 prof. dr hab. Krzysztof Gawroński – *University of Agriculture in Krakow*
 prof. dr hab. Katarzyna Glińska-Lewczuk – *University of Warmia and Mazury in Olsztyn*
 prof. dr hab. Jerzy Jeznach – *Warsaw University of Life Sciences*
 prof. dr hab. Bernard Kontny – *Wrocław University of Environmental and Life Sciences*
 prof. dr hab. dr h.c. Stanisław Kostrzewa – *Wrocław University of Environmental and Life Sciences*
 prof. dr hab. Urszula Litwin – *University of Agriculture in Krakow*
 prof. dr hab. Leszek Łabędzki – *Institute of Technology and Life Sciences in Falenty*
 prof. dr hab. Józef Mosiej – *Warsaw University of Life Sciences*
 prof. dr hab. Jan Pawełek – *University of Agriculture in Krakow*
 prof. dr hab. Marek Ptak – *University of Agriculture in Krakow*
 prof. dr hab. Krzysztof Pulikowski – *Wrocław University of Environmental and Life Sciences*
 prof. dr hab. Artur Radecki-Pawlik – *Cracow University of Technology*
 prof. dr hab. Andrzej Żyromski – *Wrocław University of Environmental and Life Sciences*
 dr hab. Andrzej Bogdał – *University of Agriculture in Krakow*
 dr hab. Gabriel Borowski, prof. PL – *Lublin University of Technology*
 dr hab. Jerzy Bykowski, prof. UP w Poznaniu – *Poznań University of Life Sciences*
 dr hab. Tadeusz Gargula – *University of Agriculture in Krakow*
 dr hab. Krzysztof Józwiakowski, prof. UP w Lublinie – *University of Life Sciences in Lublin*
 dr hab. Włodzimierz Kanownik – *University of Agriculture in Krakow*
 dr hab. Eugeniusz Koda – *Warsaw University of Life Sciences*
 dr hab. Tomasz Kowalik – *University of Agriculture in Krakow*
 dr hab. Leszek Książek – *University of Agriculture in Krakow*
 dr hab. Grzegorz Nawalany – *University of Agriculture in Krakow*
 dr hab. Roman Rolbiecki – *University of Technology and Life Sciences in Bydgoszcz*
 dr hab. Marek Ryzek – *University of Agriculture in Krakow*
 dr hab. Mariusz Sojka – *Poznań University of Life Sciences*
 dr hab. Piotr Stachowski – *Poznań University of Life Sciences*
 dr hab. Andrzej Wałęga – *University of Agriculture in Krakow*
 dr hab. Agnieszka Ziernicka-Wojtaszek – *University of Agriculture in Krakow*
 dr hab. Romuald Żmuda, prof. UP we Wrocławiu – *Wrocław University of Environmental and Life Sciences*

ORGANIZING COMMITTEE

dr hab. inż. Agnieszka Policht-Latawiec – Chairman	dr inż. Magdalena Malec
dr inż. Wioletta Żarnowiec – Secretary	dr inż. Tomasz Stachura
dr inż. Łukasz Borek	dr inż. Ewelina Zajac
dr inż. Grażyna Gawrońska	mgr inż. Barbara Franik
dr inż. Sławomir Klatka	mgr inż. Małgorzata Starowicz
dr inż. Edyta Kruk	inż. Ryszard Franik

TOPICS OF THE CONFERENCE

- meteorological, hydrological, hydrogeological and geotechnical conditions of water resources development
- environmental, technical and economic conditions of water resources development and protection
- the role of small retention in water management in rural areas
- the effect of catchment management on the quality of water resources
- land reclamation and development of degraded areas
- the effect of hydrotechnical constructions on riverbed stability and on the quantity and quality of waters
- operation of sewage treatment plant to counteract degradation of water resources
- design and development of rural areas
- specificity of real estate appraisal in the vicinity of water reservoirs
- modern technologies of spatial data acquisition for planning, design and protection of the environment
- geodesic, satellite and classical techniques in monitoring of hydrotechnical constructions
- geomatics, management of rural areas and landscape
- planning and management of rural areas

VENUE

Witek Hotel & Conference Centre, ul. Handlowców 14, Modlniczka near Kraków, Commune: Wielka Wieś

DATES

16 – 18 May, 2018

THE PARTICIPATION FEE

The participation fee – 1200 PLN (participation – 700 PLN, publication – 500 PLN) includes: printing of the publication (in case of *Polish Journal of Environmental Studies* – payment for article in the Editorial Board), conference materials, meals (dinners, breakfasts, coffee breaks, suppers), accommodation for 2 nights and field educational session in magic Kraków.

The fee is to be paid to bank account:

Uniwersytet Rolniczy w Krakowie
Al. Mickiewicza 21, 31-120 Kraków,
Bank BPH 67 1060 0076 0000 3210 0014 7293
NIP 675 000 21 18

Principal transfer is required to give the name and surname of the participant / author and title of payment - **ENVIRO 2018** (payment for participation in the conference, publication - does not apply to printing fee in *Polish Journal of Environmental Studies*).

PAPERS

Original scientific papers, which have not been published previously, accepted by the Scientific Committee (in case of PJOES an additional fee based on the number of pages is required), prepared according to the editorial board guidelines and after editorial overview will be published in:

- *ACTA Scientiarum Polonorum, Formatio Circumiectus* – 2 copies of the manuscript, prepared following the Editorial Board guidelines on www.formatiocircumiectus.actapol.net/pl/ should be sent to the conference secretary,
- *Annals of Warsaw University of Life Sciences – SGGW Land Reclamation* – 2 copies of the manuscript, prepared following the Editorial Board guidelines on www.ann_landreclam.sggw.pl should be sent to the conference secretary,
- *Geomatics, Landmanagement and Landscape* – 2 copies of the manuscript, prepared following the Editorial Board guidelines on www.gll.ur.krakow.pl should be sent to the conference secretary,
- *Inżynieria Ekologiczna* – 2 copies of the manuscript, prepared following the Editorial Board guidelines on www.ineko.net.pl should be sent to the conference secretary; after being reviewed and accepted by the Scientific Committee, manuscripts should be submitted by one of the authors of the manuscript through the online Editorial System,
- *Journal of Ecological Engineering* – 2 copies of the manuscript, prepared following the Editorial Board guidelines on www.jeeng.net should be sent to the conference secretary; after being reviewed and accepted by the Scientific Committee, manuscripts should be submitted by one of the authors of the manuscript through the online Editorial System.
- *Polish Journal of Environmental Studies* – the manuscript prepared following the Editorial Board guidelines on www.pjoes.com; Manuscripts should be submitted by one of the authors of the manuscript through the online Editorial System to be reviewed. Place a description in the tab - invoice data: ENVIRO 2018.

IMPORTANT DEADLINES

<u>31 December, 2017</u>	– internet application (www.enviro.ur.krakow.pl) – application forms including the titles and abstract of papers should be sent
<u>28 February, 2018</u>	– payment of the participation fee
<u>10 March, 2018</u>	– full text of work should be sent
<u>15 April, 2018</u>	– conference programme

ADDRESS FOR CORRESPONDENCE

dr inż. Wioletta Żarnowiec (secretary)
e-mail: enviro@ur.krakow.pl

dr inż. Wioletta Żarnowiec (secretary)
Department of Land Reclamation and Environmental Development
Al. Mickiewicza 24-28, 30-059 Kraków, Poland
