# SUMMER SCHOOL

“ENTREPRENEURSHIP”, TRAINING WEEK

**We are happy to announce that our International Summer School programme for 2018 is now accepting applications. Take advantage of our Early Bird Discount until 30 April 2018.**

## PROGRAMME

The academic programme is based on two main topics: Doing Business in Europe and Entrepreneurship. The academic programme is tailored to the needs of the students (across the world) to deal with the issues arising when doing business in Europe and to develop entrepreneurial mind-set, skills, and competences.

Kaunas (Lithuania): 2-8 July 2018

- Duration: 1 week;
- Earn 3 ECTS credits in an attractive short term programme;
- Experience an exceptional quality of life;
- Meet and exchange with key professionals during our corporate visits;
- Learn about local culture and socialize with students from all around the world.

## PRICE

**300 EUR per person** - includes meals throughout the Summer School, coffee breaks, excursion to Trakai and other scenic spots, handouts, accommodation at Kauno kolegija/University of Applied Science dormitory; stationary materials, as well as transportation throughout the Summer School.

**With Early Bird Discount: 280 EUR**
