

Fourth International Conference and Erasmus+ Staff Week
INCLUSIVE INTERNATIONALISATION

Call for presentation abstracts

We would like to invite the participants of the conference to share their best practices in the area of inclusive internationalisation during one of the conference's sessions. The best practices may involve a strategy, initiative, programme, event, activity, publication or alike aimed at broadening the scope of university stakeholders who may benefit from internationalisation.

If you are interested in introducing your best practice, **please submit an approximately 150-word abstract in the Word or PDF formats at maruta.funta@rsu.lv by September 2, 2019**. The abstract should briefly describe the practice and its results. The practice should be innovative and applicable to other institutions.

The conference organisers will evaluate the submitted abstracts and notify the authors about the evaluation outcomes by September 9, 2019. At this time, we will ask the authors of the selected abstracts to develop a 15-minute presentation for the best practices session on November 5, 2019.

If you have any questions, please do not hesitate to contact Maruta Funta at maruta.funta@rsu.lv.
