

## COTRA SCHOLARSHIPS APPLICATION PROCEDURES

Collaborative Training in Fisheries and Aquaculture in East, Central and Southern Africa (COTRA) calls for applicants to study MSc. and PhD at University of Eldoret (Kenya) Rhodes University (Republic of South Africa), Makerere University (Uganda) and Mzuzu University (Malawi).

The EU under Intra-Africa Academic Mobility Scheme, has provided funding to support an academic partnership under COTRA Project. The project will train professionals to achieve sustainable management of fisheries and aquaculture resources leading to increased fish production and enhanced food and nutritional security, and hence, improved livelihood and household revenue. The project is expected to contribute to;

- a) Improved skills and competences of academic staff in research, training and supervision,
- b) Enhanced quality of graduate training that will lead to innovative and fit-for-purpose professionals in fisheries and aquaculture.
- c) Improved skills and competences of administrative staff in implementing international mobility.

**The Call for applications is from 4<sup>th</sup> September 2019 to 19<sup>th</sup> October 2019 (Midnight East African time).**

All interested candidates should download the Scholarship Application forms from the link <http://www.cotraintrafrica.org/downloads> fill the forms and submit them to their **COUNTRY coordinator** (found here: <http://www.cotraintrafrica.org/contacts>) and a copy to [applications@cotraintrafrica.org](mailto:applications@cotraintrafrica.org).
