

7 Higher Education Institutions have decided to join forces and are offering you a tailor-made training programme to improve your entrepreneurship skills in the bioeconomy sector.

Boost your curriculum with additional modules: on-line courses and face-to-face sessions.

**One week in Bologna (Italy) funded by Erasmus+ !**

**Get the chance to meet and network with your peers from June 20 to 24, 2022.**

## FOSTERING ENTREPRENEURSHIP FOR THE BIOECONOMY

*If you are in a master related to bioeconomy sciences from one of our partner institution, join the FOEBE team!*

and Life Sciences, Vienna

WAGENINGEN  
UNIVERSITY & RESEARCH

# DESIGNED FOR MASTER AND PHD STUDENTS

For more information check out our page on the [European Bioeconomy University website](#) or find us on LinkedIn!

# CORE MODULES

- Introduction to the bioeconomy
- Accelerated sustainable entrepreneurship
- Design thinking, creativity and innovative products
- Knowledge management
- Business management and finance
- Leadership and execution, human resources
- Marketing
- Introduction to digitalization

**Modules will start in January 2022 and the intensive study week (face-to-face sessions and hackathons) will start in June, once the e-modules learning period is over.**

The courses have been designed so that the workload will be compatible with your current curriculum.

ENTREPRENEURSHIP

BIOECONOMY

**FOEBE project takes part of the EBU alliance (European Bioeconomy University).**

***Applications are now open!***
