

4th International Staff Week

IVANE JAVAKHISHVILI TBILISI STATE UNIVERSITY

18-22 MAY, 2020 | GEORGIA

The agenda of the event has been designed **to meet the interests of the staff** from the universities of **Erasmus+ Program Countries** working on university internationalization including mobility programs, international student services, quality assurance, international cooperation and project management. It will give the participants an introduction to the Georgian higher education system and provide an opportunity to discuss the trends and challenges the universities face in ever changing environment, as well as increase the cooperation opportunities among the event participants.

The **5-day-long program** is composed of talks, presentations, sharing of experiences and best practices among colleagues from partner and non-partner institutions, networking events, speed dating, individual meetings and social program (excursions, gastronomical evenings, etc.). Furthermore, the program is designed to give its participants unique opportunity to discover Georgian culture and taste exquisite Georgian cuisine.
