

Description

Nature & Human Landscape is an intensive five-day course providing ETSIAMN Partner University Staff with key social and environmental competences. Participants will work on local sustainable landscapes and obtain an applied insight into selected ecosystems and lifestyles.

Intended outcomes

Upon completing the course, participants will have strengthened their environmental awareness and increased their problem-solving and intercultural communication skills.

Course structure

The course lasts 40 hours, divided into seven hours of training per day (Monday-Friday, 09:00 – 17:00).

Fees: 620 € per participant, including training materials, transportation and five lunches. Extracurricular activity (not included in course fees): local taste dinner.

Dates and location

Monday, 09.05.22 to Friday, 13.05.22

Place: ETS Ingeniería Agronómica y del Medio Natural (ETSIAMN). Universitat Politècnica de València (UPV). Camino de Vera s/n. 46022 Valencia, Spain.

Course coordinator

Prof. Francisco Rovira, Head of International Relations ETSIAMN.

Teaching methods

Small groups (20-25 participants) are created for outdoor on-place training in five selected Landscape Units. Work sessions involve short outdoor lectures, specific learning tasks and group work. Design and drawing techniques will be introduced. Photography and GIS-based apps will be broadly used.

Travel, living and accommodation expenses

Participants are expected to obtain *Erasmus+ Staff Mobility* grants from their home Institutions. The ETSIAMN will assist with booking accommodation.

Information

Deadline: 15th April 2022

Maximum number of participants: 20

Cancellation policy: no registration fees will be refunded within 30 days prior to the start of the course. The fees paid will be valid for any other course offered by the ETSIAMN International Staff Training during the following 12 months.
