

UNIVERSITY OF HAVANA INTERNATIONAL SUMMER SCHOOL

Culture, Science & Innovation

From July 3rd to 21st, 2023

What do we have in mind?

- From **July 3 to 21, 2023** we invite you to participate in our Summer School, a special proposal within the framework of the **295th anniversary of our University of Havana**. If you haven't been to the University just yet, this will be an excellent opportunity to do so, as we will have holding an **International Open Day session**, with the possibility of visiting our different faculties and research centers and getting to know about their proposals up close from the hand of their professors. If you have studied with us before, we would be pleased to have you back and be part of our celebration.
- Dedicated to **Culture, Science and Innovation**, this Summer School will include **3 weeks of scientific, academic and cultural activities**, with fairs, conferences and workshops focused on topics of national and international interest. In addition, you can enroll in the courses that we offer and complement your studies or professional training.

MULTICULTURAL, FLEXIBLE AND INCLUSIVE

Our Summer School has been designed with you in mind

¿Who can participate?

- You can attend whether you are a university student or not, and enjoy the various activities that will be taking place, even in the company of your family.
- If you are finishing High School and have considered the University of Havana as an option for your studies, this is a good opportunity to get closer to your academic future.
- If you are an undergraduate and/or postgraduate student, you can also be part of this unique experience.
- If you cannot attend the School in person, you can check out our virtual courses.
