- **Download your transcript of records in BOKUonline (legally valid with electronic signature)**
Unfortunately it takes quite a while before the results are available on BOKUonline – if necessary, please tell your teachers that you need the certificates urgently! It is normal that on the day of your departure some of your exam data is still being processed. Check your BOKUonline account for missing exam results. If there are still exam results missing after 4 weeks please contact the courses' teachers.

Once all the results show up on BOKUonline, you can download a valid transcript of records (with electronic signature). Your account is valid until 31st of March 2026:

1. Login to your BOKUonline account
2. Click on “**Transcripts**”
3. Choose the language (English or German)
4. Click on “**Print**” on the right (different layouts available)
5. The transcript is created in pdf version with an official digital signature on the last page. It does not require further signatures from BOKU side.
6. Forward the document as pdf to your coordinator. The electronic signature makes it legally valid.
