You are nominated, that means....

- You have been **selected to study at one of BOKU's partner universities** in one of our international programmes.
- **BOKU-International Relations has already notified this university** of your nomination
- In addition to your Erasmus+ application at BOKU **you also have to apply at the partner university**. Please check how to do so asap (website of partner university, their notification email, etc.)
- The partner university may still reject your application (but this is very rare).

Universität für Bodenkultur Wien

Partner University

- **Check application requirements + deadlines**

Deadlines in Scandinavian countries will be very soon, in „Southern countries“ later.

BOKU-International Relations does NOT transfer any documents from MO to your partner university! → Registration partner University + BOKU Steps need to be fulfilled at the same time

- **Semester Dates** (in Scandinavian countries: WS starts in August, SS in January)
- **Courses** (Prerequisites? Level Bachelor/Master? Individual Course Plan?)
- **Accommodation**, especially upon arrival (hostel, CS, Buddy etc.)
- **Insurance, language course** (optional), **orientation week**

Switzerland: Swiss-European Mobility Programme instead of Erasmus+ (BOKU steps stay the same, grant by CH!)

UK: OeAD uses remaining funds of the funding pot 2020 until end of May 2023, contract with OeAD not BOKU!

Further Steps

- Mobility Online: <https://www.service4mobility.com/mobility/LoginServlet> (Login/Password same as for BOKU Online; please do **not use Internet Explorer** for MO but a different browser; **bookmark link on your laptop**)
- **Enter semester dates** (according to the Academic Calendar) **and course language** at partner university by **20th May** (WS/full academic year) / **20th November** (SS) => Mobility Online
- **Digital Learning Agreement** => Mobility Online
- Application-recognition-proof of study - Paper for Recognition („**Äquivalenzliste**“)
- min. **3 creditable ECTS / month** scholarship (recommended: 25-30 ECTS / sem.) → increasingly checked by the OeAD!
- **Grant Agreement** („Erasmus+ contract“ → Top-up-questions to be answered in advance)
