**What recommendations would you give to future students about the host country and university? (Questions 7 -14)** Please give tips, sources of information, contacts, and links

**7. Host country**

It is very good country to live in and to roam because there are many tourist places and areas to stay and enjoy.

**8. Host university**

University is good but infrastructure related to studies is poor. Teachers are cooperative and highly knowledgeable. I will not recomend this university for future students, except that it is near to Austria and can be reached in less time and money.

Yes       No       I don't know

If yes, please explain why:

27. How could the Joint Study and student exchange programme be improved in your opinion?

My programme consist of study at different universities in each semester but I would like to suggest that first year (2 semesters) should be in Austria and then if you want you can go to any partner university for the third or fourth semester, either for studies or research.  
For first 2 semester in Austria, you can choose any two universities of Austria.

## General Report

**Short feedback on your stay: attended lectures, seminars, excursions, etc.**

Other things you found interesting, you think future students should know, problems, general tips and recommendations...

Everything was fine in the host country except the course registration period and process of course registration. It was worst, I had ever seen, It is still the same as I have completed all my courses for the host university.

## The last two questions

**What did you gain the most out of your stay abroad?**

I gained good marks in my studies and the experience of staying abroad in other european country,

**Which particular piece of advice would you give interested students?**

Just that it is near to Austria.

**Many thanks for your support!**
