

<p style="text-align: center;">Partner Institution Information For BOKU students In order to inform our students about their opportunities at the partner institution</p>
--

Where we match – Fields of Competence:

- **Name of University + website**

Kyoto University

Web: <https://www.kyoto-u.ac.jp/en/>

- **Name of College we have the contract with + website**

Graduate School of Agriculture, Kyoto University

Web: <http://www.kais.kyoto-u.ac.jp/english/>

- **Special Information for Exchange students available? + website**

Web: <http://www.kais.kyoto-u.ac.jp/english/admission/exchange-program-special-auditors-special-research-students/>

- **Fields of study and courses BOKU students are allowed to take + link to course catalogue**

We have “Special Research Student” program (research oriented) and “Special Auditor Student” program (credit exchange) for exchange students. Details are shown above link.

Each exchange student will be joining to one of laboratories of Graduate School of Agriculture. For the laboratory list and study fields, please refer to the below link.

<http://www.kais.kyoto-u.ac.jp/english/overview/members/>

- **Are our students allowed to take master courses? (How many? Course codes) [For your information: all students we nominate for your institution are master students! It would be highly appreciated if they would be allowed to take master courses as well.]**

An exchange student with “Special Auditor Student” program is allowed to take lecture courses. Credit requirement for this program is 10 credits or more. One lecture course usually comes with two credits.

- **Are BOKU students allowed to take courses from other colleges? If yes, how many and names of colleges? + website**

No, usually a special auditor program students can only take lecture courses offered by Graduate School of Agriculture.

- **Is there anything special at your institution that might be of interest for a BOKU student in order to foster personal growth and / or professional competence, i.e. field trips, research opportunities, internships, volunteer activities, independent study activities, etc?**

Graduate School of Agriculture offers free Japanese language lessons to international students and exchange students are also welcomed to take some lessons (no credit involved).

- **Student Clubs + website**

Not applicable to exchange students

- **Additional information**

Visit Student Exchange Section of Graduate School of Agriculture website for more information about activities of international students at our graduate school.
