

Universität für Bodenkultur Wien

How to find courses sorted by BOKU departments / institutes

You can choose courses from all departments / institutes at BOKU.
Make sure to meet the prerequisites stated in the course description.

1: Go to our website: <https://boku.ac.at/en/> (change the language in the upper bar) and go with the mouse to the left side of your monitor to see all the BOKU departments (every department has its own icon)

Universität für Bodenkultur Wien

A screenshot of the BOKU website homepage. The header includes the BOKU logo, a search bar, a language selector dropdown menu (circled in red and labeled 'Deutsche Version'), social media icons, a 'NEWS' section, 'Quicklinks', and a 'Login' button. Below the header, there are navigation links for 'Studies', 'Research', 'About BOKU', 'Alumni', 'International', and 'Services'. The main content area features a large banner image of the university's red-tiled roofs and a cityscape. A white text box on the banner reads 'Welcome to BOKU University of Natural Resources and Life Sciences, Vienna The University of Sustainability and Life'. A vertical sidebar on the left contains various departmental icons. A large red arrow points from the top-left towards the sidebar icons. A red circle highlights the 'Deutsche Version' language selector in the header.

2. Click on the department / institute and go to their pages (Attention: You can choose courses from the department and institutes. Make sure to check both department and institute page, as they offer different courses – follow the next steps of this instruction to get there)

Universität für Bodenkultur Wien

The screenshot shows the BOKU website interface. On the left, a dark navigation menu lists various departments and institutes with their respective icons and codes. A red arrow points to the 'Department of Landscape, Spatial and Architecture Sciences' (H7500). The main content area displays a list of institutes, with a red arrow pointing to the 'Institute of Forest, Environmental and Natural Resource Policy' (H73200). The website header includes a search bar, language options, social media links, and a 'Login' button. The main banner features a cityscape image and a 'Welcome to BOKU' message.

Code	Department / Institute Name
H89000	Department of Material Sciences and Process Engineering (MAP)
H79000	Department of Biotechnology (DBT)
H81000	Department of Water, Atmosphere and Environment (WAU)
H80000	Department of Nanobiotechnology (DNBT)
H77000	Department of Chemistry (DCH)
H83000	Department of Integrative Biology and Biodiversity Research (DIB)
H75000	Department of Food Science and Technology (DLWT)
H75000	Department of Landscape, Spatial and Architecture Sciences
H75000	Department of Economics and Social Sciences (WiSo)
H93000	Department of Sustainable Agricultural Systems
H87000	Department of Civil Engineering and Natural Hazards
H73100	Institute for Sustainable Economic Development
H73200	Institute of Forest, Environmental and Natural Resource Policy
H73300	Institute of Agricultural and Forestry Economics (AFO)
H73400	Institute of Production and Logistics
H73500	Institute of Marketing and Innovation
H73600	Institute of Law
H73700	Institute of Social Ecology (SEC)

3a: Click on the 'Courses' section of the department's page

Universität für Bodenkultur Wien

The screenshot shows the BOKU website interface. On the left is a vertical navigation menu with icons and text. The 'Courses' item is highlighted in green, and a large red arrow points to it from the right. The main content area features a large banner with the text 'Sustainable management... of scarce natural resources and environmental goods' over a rural landscape. Below the banner are three smaller images: a market stall with a bicycle, a bar chart titled 'Top 10 options for reducing your carbon footprint', and a map of Europe.

BOKU-Start > Department of Economics and Social Sciences (WiSo)

Sustainable management...
... of scarce natural resources and environmental goods

Top 10 options for reducing your carbon footprint

Rank	Option	Carbon Footprint (tCO ₂ e)
1	Live car-free	2.04
2	Battery electric vehicle	1.95
3	One less flight (long-haul return)	1.68
4	Renewable electricity	1.6
5	Public transport	0.98
6	Refurbishment and renovation	0.895
7	Vegan diet	0.8

<https://boku.ac.at/en/wiso/courses>

3b: There you have a list of courses of the department (if you work with the English version of the webpage, the course titles are all in English. But this does not mean that the courses are offered in English. The language of instruction is stated in the course description, so read it carefully!)

Universität für Bodenkultur Wien

The screenshot shows the BOKU website interface. At the top, there is a search bar and navigation links for 'Deutsche Version', 'Quicklinks', and 'Login'. The main header includes 'Universität für Bodenkultur Wien' and navigation tabs for 'Studies', 'Research', 'About BOKU', 'Alumni', 'International', and 'Services'. The left sidebar shows the 'Department of Economics and Social Sciences (WiSo)' and a 'Courses' section with a link to the 'Doctoral Certificate Program in Agricultural Economics'. The main content area is titled 'Courses' and features a search bar and a table of courses for the 'Winter term 2019/20'. A red arrow points to the 'Winter term 2019/20' header.

Course nr	Title	Credits
Winter term 2019/20		
730007	UE BOKU music	2
730103	SE Compulsory internship seminar	3
730104	VO Introduction to management of environment and bio-resources	3
730110	SE Bachelor's thesis seminar	12

4a: Click on the 'Courses' section of the institute's page

Universität für Bodenkultur Wien

The screenshot shows the website of the Institute of Forest, Environmental and Natural Resource Policy (InFER) at BOKU. The top navigation bar includes a search box, a 'Deutsche Version' link, social media icons, a 'NEWS' section, 'Quicklinks', and a 'Login' button. The main header features the BOKU logo and the university's name. Below this, there are links for 'Studies', 'Research', 'About BOKU', 'Alumni', 'International', and 'Services'. The left sidebar contains a list of navigation options: 'Department of Economics and Social Sciences (WiSo)', 'Institute of Forest, Environmental and Natural Resource Policy', 'Staff', 'Courses', 'Research', 'Projects', 'Publications', 'Links', and 'Holder of a scholarship'. A red arrow points to the 'Courses' link. The main content area displays the InFER logo and name, followed by a description of the institute's focus on political science research in forest, environmental, and natural resource policies.

4b: There you have a list of courses of the institute (if you work with the English version of the webpage, the course titles are all in English. But this does not mean that the courses are offered in English. The language of instruction is stated in the course description, so read it carefully!)

Universität für Bodenkultur Wien

The screenshot shows a web interface for the Institute of Forest, Environmental and Natural Resource Policy. The main content area is titled "Courses" and lists several courses for the Winter term 2019/20. A red arrow points to the "Winter term 2019/20" header.

Course nr	Title	Credits
