

Individual Course Plan

Learning Agreement
ENVEURO (2021)

NAME: Maria Musterfrau

Student ID BOKU: 01234567

Home University: UCPH
Host University: BOKU

Field of Specialisation: UCPH: Climate Change, BOKU: Ecosystems and Biodiversity

Start of Programme: October 2020
Estimated Graduation: July 2022

Comp. = Compulsory Courses

Basic Semester (min 30 ECTS)			
	Course ID	Course	UCPH
Comp.	LNAK10043E	Environmental Management in Europe	15
	NPLK14021E	Soil and Water Pollution - Concepts and Theory	7,5
	LFKK10265E	Conflict Management	7,5
Sum			30

Specialisation I: Climate Change (min 30 ECTS)			
	Course ID	Course	UCPH
	NIFK13006E	The Economics of Climate Change	7,5
	LNAK10072E	Global Environmental Governance	7,5
	NIGK13012E	Human Adaptation to Climate Change and Variability	7,5
	NIFK14037E	Climate Change and Forestry: Monitoring and Policies	7,5
Sum			30

Speci:			
	Course ID	Course	BOKU
Comp.	831312	Plant and environment	3
Comp.	812342	Ecology of aquatic systems	3
Comp.		Master's thesis seminar	2
	819332	Computer based river modelling	3
	811334	Risk assessment in the aquatic environment	3
	912314	Mountain forest climatology and headwater hydrology	4,5
	911344	Ecology and management of the rhizosphere in ecological engineering	3
	732337	Innovations for sustainable forest management	4
	772309	Biochemistry of trace elements (free elective)	3
	812318	Environmental history of river systems (free elective)	3
Sum			31,5

Master's Thesis

	Master 's thesis (30 ECTS)	20	10
--	----------------------------	----	----

BOKU	51,5	
UCPH		70

TOTAL	121,5	
--------------	--------------	--
