W2 - Professur für "Phytomedizin"

Eine Position für ein W2-Professur an der Fachhochschule Kiel wird beworben. Im Rahmen der Professur wird erwartet, dass die Bewerberin oder der Bewerber die Grundlagen und Vertiefungen der Phytomedizin in Lehre und Forschung vertritt. Dabei soll die Professur die Schnittstellen zu angrenzenden Fachgebieten wie dem klassischen Pflanzenbau, der Pflanzenernährung und Landtechnik nutzen, um den Studierenden des Bachelor- und Masterstudiengangs die komplexen Zusammenhänge und Möglichkeiten der Gesunderhaltung von Kulturpflanzenbeständen bei gleichzeitiger Beachtung gesellschaftlicher und um-weltrelevanter Anforderungen zu vermitteln.

Organisation/Funding Institution: Fachhochschule Kiel

Deadline: 280920
