---

## FIRST MESSAGE

### Leitmotif:

Theme of the Conference is the role of a young scientist in the development of agricultural and forestry sciences. An exemplification of the idea of the leitmotif is overview of research topics undertaken by PhD students from various institutions and science units.

### Goals:

- Presentation of scientific problems undertaken by PhD students and discussion of them,
- exchange information, views and experiences on research problems in agriculture and forestry sciences and create conditions to establish cooperation,
- discussion about the possibilities of development of doctoral research,
- the possibility of publishing the presented results,
- integrate the PhD students from various institutions and science units around challenges associated with multidirectional development of agriculture and forestry.

### Deadlines:

- **27.01.2012** – Deadline for sending applications for participation in the conference on the enclosed registration form\* and also the abstract,
  - **03.02.2012** – send a second message containing information that the paper has been qualified at the conference, with the detailed editorial requirements,
  - **10.02.2012** – deadline for payment of conference fee,
  - **17.02.2012** – deadline for sending the full-text article to the review,
  - **09.03.2012** – send a third message,
  - **24.03.2012** – First International Conference of PhD Students.
- \* please provide data to the invoice

### Costs:

- The conference fee: 350 PLN – includes: conference materials, publication \*\*, accommodation, dinner and integration evening after conference.
- \*\* article will be published on condition a positive review

### Requirements:

The conference is intended for PhD students of Universities and Science Institutions, who deal with widely understood issues related to agriculture and forestry.  
All submitted works will be reviewed.

**THE PAPER CAN NOT BE REVISION ARTICLE**

### Place:

Congress Center, University of Agriculture in Cracow  
al. 29th Listopada 46 street, 31-425 Kraków
