# AGRANA RESEARCH SUPPORT 2024

The board is to award for 2024 one or more grants with a total of up to € 5.000,--

The grants will be awarded to BOKU graduates in recognition of completed dissertations and habilitations.

Priority will be given to supporting the fields of Environment and Bio-Resources Management, Agroeconomics, Agricultural policy and food science, Organic Agricultural Systems and Agroecology, Sustainability and Renewable Resources at the University of Natural Resources and Life Sciences, Vienna.

We request that the dissertations and habilitations not be submitted for any other award or grant this year.

The decision on the awarding of the grants will be made by the AGRANA board after issuing a call for applications, and will be formally confirmed by the BOKU.

**Applications are requested until 25.08.2024**

Along with an executive summary and evidence if applicable of relevant academic qualifications, full versions of work and documents concerning its assessment, the CV of the applicant and a publication list are to be sent.

**Please send application documents as one PDF-File (max. 5MB) to [researchfunds@boku.ac.at](mailto:researchfunds@boku.ac.at).**

The prizes will be awarded at an academic ceremony.
