The study places of all locations may also be used without a library card. Coats and bags must be stored in the provided lockers.

The [opening hours](#) may be found on the [library homepage](#).

Many institutes have additional onsite libraries. Get in touch with the institute's secretary to learn more about the loan conditions.

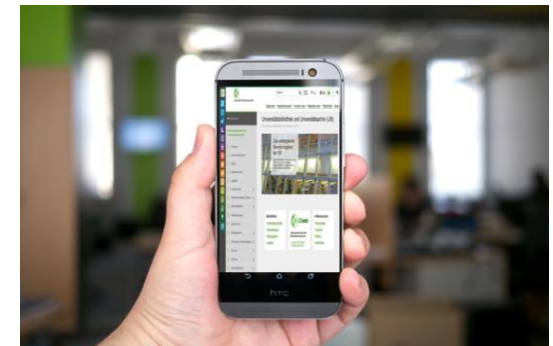

## BORROWING ITEMS

Once your BOKUonline account has been activated, you are entitled to borrow books from the main or any special library. Your BOKUcard serves as your library card. Borrowing items is free of charge, unless you return them only after their due date. Your [library account](#) in “BOKU:LITsearch” provides details on your latest library activities. Moreover, it can be used to renew library items.

## TEXTBOOKS

Introductory literature that is being recommended for exam revision is located in one of the two textbook collections at the Main Library or the Special Library for Food Science and Biotechnology. All copies are loanable. Many textbooks are also available electronically as e-books (watch out for QR-codes on the shelves).

## USER TRAINING

To get you started with your literature research and help you make the most of our services, BOKU University Library offers an extensive programme of [user trainings](#), [tutorials](#) and [ECTS accredited courses](#).

## ELECTRONIC MEDIA

BOKU University Library offers you [access](#) to a large number of e-books, e-journals and literature databases – on and off campus. Off campus you need your BOKUonline data for login.
