10 September 2026

Program

Our company outing this year takes us to the **OPEN-AIR MUSEUM MITTERKIRCHEN in Upper Austria**, where we will immerse ourselves together in the fascinating world of the **Celts**.

The **CELTIC CHALLENGE** takes place both in the morning and in the afternoon, giving us the opportunity to put our skills and team spirit to the test. Accuracy and concentration are needed for **ring tossing with willow wreaths, archery and spear throwing**.

Craftsmanship will also be required as we create a **brass spiral** together and try to **start a fire** using traditional methods. Finally, we will knead dough for **flatbread**, which will then be baked in a wood-fired oven.

We will enjoy lunch together at the **GASTHAUS HÄUSERER**, where we can relax, spend time together and recharge for the afternoon.

For even more excitement, there will be a **RAFFLE** with great prizes kindly provided by the Chamber of Labour Vienna.

Don't forget rain **protection!**

Lunch at Gasthaus Häuserer – Dishes of your choice from the menu

(prices subject to change and excluding drinks)

Payment is made individually on site

**Thankfully, the Rectorate will cover the costs
for the bus and the Celtic Challenge!**

Shedule
